If you would not see Iaras when you were to walk in its location, you would not be wrong. Iaras is hidden in the leaves of the mighty trees of the [Elderwood Forest](#). Said to be founded by [Arbia](#).

## Background

### Notable Features

From the outlook, [The Elder Tree](#) can be seen in the distance.

On the sides of the massive Elderwoods, all manners of nests are visible. These are mainly inhabited by Elves.

Several trunks give way to the underground, where people access the mighty roots of the Elderwoods. These roots float into a massive cavern, and houses were built by Halflings against these floating roots.
