History

Pharos Pharao is a great sorcerer.

During one of his many journeys, he passed through a fungril village in [Borunoa](#) where he met [Ribby Wibby](#). Impressed by the young ribbet magic prowess with the water elements, he decided to stay in the village to train him. Years later, they left the village to journey together. During a difficult encounter with a Lich, understanding that they were no match for this undead creature, he teleported his party to safety, including Ribby Wibby.

His current whereabouts are unknown.
