

The Windriders

faction

Blurb Small groups, nomadic travellers.

Small groups, nomadic. Their homebase, [Tractas](#), is a big group of nomads, always travelling around, also known as the 8th great city. Windriders are either found in large packs or pretty much travelling alone. Everywhere in the wilderness, one might come across one. The windriders are a spread out network. Information and goods move easily among them.

Beliefs

- Everything—and everyone—has a price.
- You are the master of your own destiny. Never be less than what you deserve to be.
- Equality above supremacy.

Goals

Provide freedom to all and promote fairness and equality by covert means. Act openly as a last resort. Thwart tyrants and any leader, government, or group that grows too powerful, and aid the weak, the poor, and the oppressed.

Advancement & Perks

Rank	Perk	Renown Requirement

Plane Roamer	Wind Stories 10	25
Endless Strider		50

Wind Stories

When collecting information from a windrider or trying to procure a rare item, you can roll an investigation check with a DC 15. On a success, you always get access to the information/item you need. This DC lowers to 13 for a Wildwalker and 10 for a Plane Roamer.

When you get access to an item, this does not mean you actually get the item, but you'll be able to buy it, or know exactly where to find it.

Superstore

Wildwalkers gain access to a store that carries almost anything they want, but at a premium. The only exception is extremely rare magic items.
