

The Treant's Roots

faction	
Blurb	Protectors of Nature.

Protectors of Nature, Nature should guide civilization, not the other way around.

Beliefs

- The natural order must be respected and preserved.
- Forces that seek to hurt nature must be destroyed.
- The wilderness can be harsh. Not everyone can survive in it without assistance.

Goals

To restore and preserve the natural world, keep the elemental forces of the world in check, keep civilization from destroying the wilderness, and help others survive the perils of the wilderness.

Be one with nature.

Unique Features

Healing by Grafting

They have a unique way to heal wounds, by grafting a plantlike being onto the limb. The plant will mimic the part of the body that it replaces. For precise body parts, special skills and plants are required.
